In response, the specification is amended to include the section "Brief Description of the Drawings" as well as a brief description of each of Figures 1-14. Support for the amendment can be found in the specification at pages 8-14. No new matter has been added. Applicants submit that the amendment satisfies the requirements set forth in the Notice.

Entry of the above amendments is earnestly solicited. Applicants respectfully request that the patent be timely issued in this case.

Should there be any matters that need to be resolved in the present application, the Examiner is respectfully requested to contact the undersigned at the telephone number listed below.

The Commissioner is hereby authorized in this, concurrent, and future submissions, to charge any deficiency or credit any overpayment to Deposit Account No. 25-0120 for any
